Job Title:	Tender
Supervisor:	Lamar Howard <i>Title</i> VP of Operations

Level/Grade	Type of position:	Hours <u>20-40</u> / week
F	Full-time	Exempt
	<input checked="" type="checkbox"/> Contractor	Nonexempt
	Part-Time	
	Intern	

GENERAL DESCRIPTION

The Tender position acts as support for bottom side diving operations. Tenders will be responsible for the following the direct supervision of Divers and Dive Supervisors on station. The role could entail the maintenance of diving equipment, monitoring of diving equipment and consumables levels, assistance in maintenance of support equipments, and overall diver support.

The tender is an integral part of diving operations. Although Tenders are on deck and not diving, they are still providing critical support to topside and bottom side operations.

After successful completion of 60 days tender, most tenders will be assessed and considered for shallow water diving roles.

Must be willing to submit to a drug screening.

GENERAL REQUIREMENTS

- Must be able to provide suitable recommendations.

EDUCATION REQUIREMENTS

- Must be a graduate of Commercial Dive School.
- Must possess ADC card certification. (IMCA certification a plus)
- Any additional certifications such as OSHA training certificate a must.
